

BSP Award Nominations

Each year, BSP would like to recognize and honor individuals or entities who you feel have greatly contributed to bluebird education and/or who have promoted the nesting success of bluebirds and other native songbirds.

Award categories are:

Bluebirder of the Year- Our most prestigious award, given to an individual who has demonstrated an outstanding long-term commitment (not just during the past year) to the success of Bluebirds and other native cavity-nesting songbirds.

Blue Feather – Awarded to individuals who have made significant and sustained contributions towards promoting Bluebirds and the Bluebird Society of Pennsylvania.

Letter of Commendation-Awarded to individuals who have made significant contributions toward promoting Bluebirds and the Bluebird Society of Pennsylvania.

Awards will be presented at the Annual BSP Conferences. Recipients do not need to be present at the conference to receive their award, but it would be great if they could receive their award in person.

If you would like to nominate someone for a BSP Award, please provide a brief write-up regarding your nominee, and include their name, county, and their contact information. Please submit your nominations for the BSP Award to:
